19 Civ. 11234 (PAE)

ORDER

PAUL A. ENGELMAYER, District Judge:

The Southern District of New York has reconfigured courtrooms and other spaces in its courthouses to allow civil jury trials to proceed as safely as possible during the COVID-19 pandemic. Under the centralized calendaring system currently in place, the Clerk's Office schedules up to three jury trials to begin on each day of jury selection: a primary case and up to two back-up cases that may proceed in its place if the primary case does not go forward.

On February 9, 2021, the parties having advised the Court of their availability for a jury trial during the second quarter, the Court notified the parties that the Court would request a jury trial for June 28, 2021. Dkt. 47. The Clerk's Office has now notified the Court that this case has been placed on the jury trial list for June 28, 2021. The case must be trial-ready for that date. The case is second on the list for jury trials for that day. This means that the case will not proceed on June 28, 2021 if the other trial scheduled for that date goes forward. If the case cannot proceed on the scheduled date, the Court will seek another jury trial date for as soon as possible thereafter. As soon as the Court confirms that the matter will proceed on June 28, 2021, it will inform the parties.

SO ORDERED.

United States District Judge
